For

Eco-friendly Drinking Water Solution at Tadoba Andhari Tiger Reserve, Chandrapur

The Tadoba-Andhari Tiger Reserve [TATR], in order to eliminate use of single use plastic water bottles, invites an expression of interest from competent firms/companies/NGOs for eco-friendly drinking water solution to be implemented in core and buffer areas of TATR. The solution shall be implemented in BOOT [Build, Own, Operate & Transfer] techno-commercial Model. The project should have End-to-End solution for drinking water for ecotourism in TATR.

The project model should use eco-friendly materials such as glass & bamboo for the water storage to meet requirement of 1500 LPD. The involvement of local communities in execution & implementation of the project shall be mandatory.

The proposal must reach office of Conservator and Field director, TATR, Chandrapur, on or before 6th August, 2021 (1700 hrs IST), by email at ccffdtadoba2@mahaforest.gov.in Any proposal received after the deadline shall not be considered.
