Tadoba-Andhari Tiger Reserve Conservation Foundation, Chandrapur

Summer Internship Program- 2022

The Tadoba-Andhari Tiger Reserve Conservation Foundation, Chandrapur is inviting eligible candidates to apply for its Summer Internship Program 2022 in the following fields:

1. Ecology Intern

Scope of Work: To document the recovery of tigers and their prey from specific areas within the reserve.

Required Skills:

- Statistical analysis
- Density-distance software
- R programming
- GIS
- Prior experience with similar research

2. Media and Communications Intern

Scope of Work: To assist with our media presence, including content writing for reports and social media. Writing samples may be submitted along with the application

Required Skills:

- Strong English and Marathi writing and editing skills
- Knowledge of social media
- Conservation background/interest and knowledge of wildlife
- Graphic Designing and/or marketing skills (highly preferred)

3. Sociology

Scope of Work: To study the impact of tourism and livelihood related activities initiated by the tiger reserve on the socio-economic status of communities

Required Skills:

- Strong interpersonal skills
- Knowledge/ experience with social/ethnographic research and analysis
- Critical thinking

4. Alternative Livelihoods

Scope of Work:To develop an alternate livelihood program for communities residing around the tiger reserve

Required Skills:

- Strong interpersonal skills
- Experience working with marginalized communities and/or those living in and around wildlife reserves
- Research and analysis
- Experience with designing programs that are practical,measurable and scalable.

5. Solid Waste Management

Scope of Work:To develop a model to manage the solid waste generated around the tiger reserve

Required Skills:

- Awareness on environmental and sustainability issues
- Knowledge of various waste management solutions
- Experience with designing programs that are practical,measurable and scalable.
- Background in civil/ environmental engineering (preferred, but not required)

While prior professional experience in the relevant field is highly desirable, deserving freshers with suitable qualifications will be considered.

Salary/Stipend: No salary/stipend will be offered. Lodging and boarding will be provided for the selected candidates. An official work experience / certificate of appreciation shall be provided at the end of successful internship.

Duration:Interns will work with the TATR Conservation Foundation for a period of one to two months between March and June 2022, depending on the work requirements and the willingness of the candidate.

Application requirements: Interested candidates can write to us at ccffdtadoba2@mahaforest.gov.in before 15th February 2022.Kindly attach the following:

- CV
- Copy of transcripts
- Reference letter
- Cover letter highlighting relevant work experience
- Writing sample (for the Media and Communications Intern position)
- Design samples (if any)
